

# Weekly Newsletter

26th January 2018

Another busy week has flown by. It was lovely to see so many parents at Parent Lunch yesterday enjoying one of Jo's delicious roasts. Some of the children are enjoying joining in with the sporting activities at lunchtimes with Premier Sport and it is great to see a good take up on all the after school clubs. The gymnasts were busy yesterday learning new skills and demonstrating their ability to listen well and follow instructions. The children seem to be working hard on their famous people topic and there is some lovely work displayed around school.

Squirrels Class have been looking at the art work of Quentin Blake and developing their sketching skills. George drew an amazing sketch in the style of Mr Blake – fantastic to see. I look forward to seeing the final pieces at the end of term.

Owls Class continue to be enthusiastic about Super Heroes and Mrs Nicholls reports that she has many super heroes who like travelling by scooter from their headquarters in the early year outdoor area. There are also some lovely pieces of artwork to see in the gallery.

Hedgehogs Class have been working on their arithmetic and are trying hard to beat their last score in the test they are completing. The children also enjoyed designing and making their masks- I'm not so sure Mr Dolezal enjoyed the cleaning up afterwards!!

Thursday sees a visit from members of the Board of Trustees of ALT and also Gary Piele CEO of the trust. We look forward to welcoming them on their first visit to our school. We are delighted to be working with schools across the Cambridgeshire Hub over the next few weeks on professional development .
