28th September 2018

Another busy week in school! It has been a pleasure to wander around and see what the children have been doing and to see some lovely pieces of work that are now being celebrated on our 'Work to be proud of' display.

In Willow class, the children have been finishing their own 'Leaf Man' stories. They have also been working on finding more and less than a given number in Maths.

Maple have been measuring length this week and it was lovely to see them outside measuring branches and twigs in the school grounds- very fitting to their current 'forest' theme!

We are very impressed with the wonderful display that Oak class and Mrs Lawrence have put up in the Red Area. It really does show off all of the amazing experiences that were had at Hilltop and the children have written about their favourite memories too. If you haven't seen it yet, do make sure that you pop in after school one day to have a look!

How lovely to see so many people attending our MACMILLAN Coffee morning today. Thank you for all the cake donations, they were enjoyed by parents, children and staff. Total amount collected so far £165.00.

Menu

As many of you are aware we have new caterers in the kitchen. We have a new cook in place now. We are aware that there have been some issues around the meals but Mrs Pritchard has been in constant liaison to deal with these. The third option will now no longer be a baked potato every day and some of the meals on the main menu have been changed. Roast chicken will NOT be chicken thighs.

The updated menu is on the website.

Any issues please let one of the school staff know.
