Dear Parents and Carers

There are so many ways that parents support us at Earith and we are very grateful for the time that you are able to give to us as volunteers, governors and Friends of Earith School.

To those of you who are hiding your talents under a bush, we know that you are out there! **At Earith Primary School we are always looking for opportunities to support and encourage the children's learning with real life context and to strengthen the links with the community.**

Do you have a skill, area of expertise or experiences that would benefit the pupils' learning? Are you a fireman/lady, a baker, doctor, scientist, plumber, of a particular religion/faith, speak a different language or have another area of knowledge and expertise? Are you able to teach a new skill within a lesson or in an afterschool club?

So, please don't be shy! Let us know how we can work together.

If you (or someone you know) are interested and can spare some time, please complete the slip below and return to the school office for my attention.

I look forward to hearing from you.

Yours sincerely,

Mrs Claire Williams
