

eSchools Parent App

eSchools, the Starz+ platform developer, have developed a free app for smart phones which can help you keep up to date with notices and communications from your child's school.

Before downloading the app, you will need your own unique username and password. These will be given to you by the school, if you don't have one, or have forgotten it, please contact the school office.

Downloading the app

Available for both iPhones and Android devices the app can be downloaded from either the App Store or Google Play.

Type 'eSchools' or 'eSchools Ltd' into the search function to find the app. The app can be identified by the

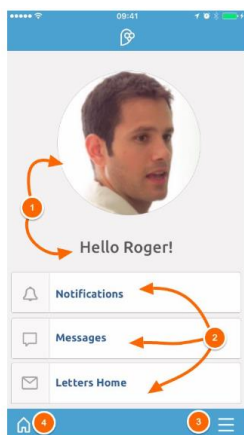

eSchools logo.  If this is the first time that you have downloaded the app, click on the '+GET', after downloading this will change to 'OPEN'.

Using the app

The app will have added a shortcut to your home screen  Click this to open.

On the following screen, enter the name of the school, include any hyphens if necessary. Enter the username and password that the school have issued to you, then select Login.

1. The home screen will display a welcome message and your name.
2. From the home screen you have access to letters and notifications, click as appropriate to see in more detail.
3. More functions are available by clicking on this menu, these will vary school to school dependent on what options each school has selected.
4. From wherever you are within the app, you can quickly navigate to this screen by clicking on the 'home' icon.
