

19th October 2018

It has been an absolute pleasure to teach **Elsa-Rose** in Maple this term. She has settled into the new routines well and has been a kind, polite member of the class. Elsa-Rose has worked hard too and has already been able to make some good steps with her learning. Keep up the good work, Elsa-Rose!

Zafirah has shown the ability to use the prompts and resources around her to support the spelling of her work. She has entered Year 3 with a focus on her spelling and that is exactly what she is achieving. This is showing across all subjects. Keep up the excellent work Zafirah, well done.
