WILLOW

Nico, you have a wonderful attitude to learning and have made a fantastic start to your time in school. It has been lovely to see you coming into school every day with a big smile. You observe and watch closely and you have the confidence to participate and join everything. You always try to do your very best and take great pride in your achievements. You show a readiness to learn and you listen carefully. You have your own ideas and have shown that you can persevere until you have completed tasks to your satisfaction – you demonstrate high levels of concentration and become thoroughly engrossed in what you are doing. It has been wonderful to see how you tackle new challenges willingly and have the confidence to share your learning with others. Well done Nico, you thoroughly deserve this award!

Jake, you have shown so much maturity, determination and resilience during this half term. You have a love of learning and are becoming more confident in sharing what you have learnt or discovered with the rest of the class. You have enjoyed taking part in all areas of the curriculum and have tried your best with everything you have done. You are a responsible member of Willow class and you are a fantastic role model to others with your readiness to learn. You are kind and supportive and you are quick to offer help or encouragement to others. You have been particularly supportive towards the Reception children since joining us. Well done Jake, you thoroughly deserve this award!
