Dear Parents and Carers

As you may be aware, our school received a suspicious email this morning.

We understand that the same email was also sent to multiple other schools within the country and is believed to be part of a scam email chain. We have been in contact with the police and they have advised that this is a very low-risk situation and to not change our procedures at this time.

Please be assured that the safety and security of our students is of paramount importance and we are continuing to be vigilant. As this is a very low risk situation, we advise parents and carers not to be concerned and believe there is no additional reason to contact the school at this time.

We recommend that parents arrive at the usual time to collect their children after the school day.

Kind regards,

Sian Pritchard  
Exec Head
