9 May 2022

Dear Parents,

**Healthy Week at Earith Primary School (including Sports Day)**

The week before half term, **the week of the 23<sup>rd</sup> May**, we will be holding our annual Healthy Week, which we have ran successfully for a number of years now.

During this week, the children will be participating in a variety of activities and learning experiences encompassing many of the curriculum areas. There will be lots of physical activity involved so please send you child/ren into school in their **PE Kit every day during this week**.

**Sports Day - Thursday 26<sup>th</sup> May**

The gates will be **open at 1.15pm and Sports Day will begin at 1.20pm approximately**. **You may bring family and/or friends with you**. Please make your way to the edge of the main field – we will put out all the chairs we have. Please organise yourselves, being courteous to other spectators.

Please make sure that you **sit or stand on the school side of the track**. Children remain on the other side of the track. Each class will take part in track and field events in turn.

**FOES will be selling refreshments** throughout the afternoon.

**At the end of Sports Day, please allow staff to take all the children back into school**. You may then make your way round to the classroom door to collect your child, even if Sports day finishes before 3.15pm.

**Friday 27<sup>th</sup> May**

On the last day of this half term, the children will be finding out about the Platinum Jubilee – exploring why Jubilee celebrations are being held. They will also be looking back in time to find out what the school and life in general, was like in the 1950s. If you have any photographs, household items or artefacts from the 1950s which you would be willing to lend us for the day, please do speak to your child's teacher.

Please contact me directly if you have any questions.

Thank you for your continued support

Jill Nicholls  
PE Lead
