

Orangutan's Foundation Bingo: Week 3 (w/c 20/4/20)

<p>PE Create a sequence, on your own or with a partner, that includes 2 rolls, 2 balances and a jump.</p>	<p>Geography Print or draw a map of the UK. Label the Jurassic coast. <i>How many different ways could you travel there from where you live?</i></p>
<p>MFL Visit https://www.french-games.net/frenchlessons?topic=Colours&level=primary and play the colours game.</p>	<p>History Research 'Mary Anning' and produce a fact file about her life. <i>Who was she? When/Where did she live? What is she famous for?</i> NB. Complete the Purple Mash activity linked to this too.</p>
<p>Art Research a French landmark (Eiffel tower/ Notre Dame/ Mont Saint Michel...) make some notes and sketch it.</p>	<p>Science Look around your garden/local outside space. Collect samples of different rocks that you find. Draw and describe them. Think carefully about their properties. <i>Is it shiny/dull? Hard/soft? Smooth/rough? Etc.</i></p>
<p>DT Using a variety of natural and recycle resources, build a bug home. Make sure you measure and cut the materials accurately.</p>	<p>Music Make a musical instrument using items that you have at home. <u>Challenge-</u> Can it make 3 different pitched notes? (low → high)</p>
<p>PSHE Keep a diary and record how you are feeling going through these unusual times.</p>	<p>Computing Produce PowerPoint slides to present all of your learning about Mary Anning and the Jurassic coast so far. Remember to save it so we can add to it later on! 😊</p>
