

## Accessing Parents Evening with Google Classroom

At your designated time, log into your child's google classroom account at:

<https://accounts.google.com> click the waffle in the top right corner of the screen and click on Google Classrooms

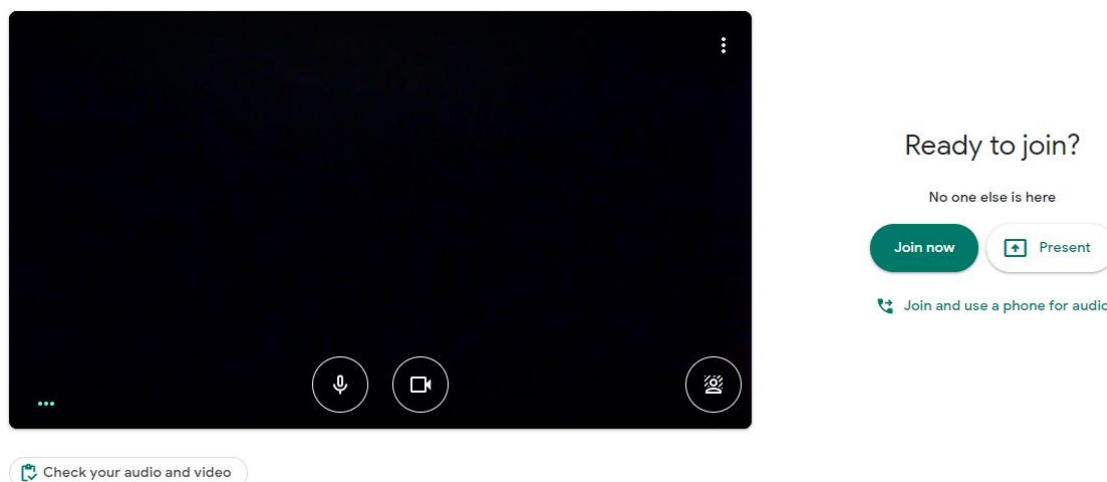

Google Classroom

Here you will see one of the classrooms below, click on the classroom for your child

In the Stream there will be a link that the teacher has set (**Picasso and Dali will have two links, for the two different teachers**) click the link for the teacher you have booked your appointment with.

You will then see this screen, make sure you have your camera and audio on, then click join now (**please do not try and join before your allocated time**), if you do, you may get a message saying **Denied Access**, please wait and try again in one minute, the teacher is still on the call previous to yours, but knows you are waiting.

**We will have to be very strict on the timings. At the end of the meeting, please wait for the teacher to end the meeting.**

If you have problems with logging into your Google Classrooms account, please contact Mrs Wardell on [swardell@earith.cambs.sch.uk](mailto:swardell@earith.cambs.sch.uk)

Thank You.
