

17th September 2021

Abbey College Open Evening – 30th September 2021

Dear Parents/Carers,

I would like to invite you to our Yr6 Open Evening on Thursday 3rd October from 4.30pm until 6.30pm.

Our Headteacher, Mr Christoforou will be holding presentations for parents and prospective students at 4.30pm and 5.30pm. I warmly invite you to attend either one of the two talks, after which you will have the opportunity to take a tour of the school.

We ask that you book the presentation you wish to attend at <https://www.eventbrite.co.uk/e/abbey-college-yr6-open-evening-tickets-171864079087>

- 4.30 pm presentation
- 5.30 pm presentation

If you are unable to make either presentation we will be holding a Q&A session at 6.30pm and senior leaders will be available throughout the evening to answer any questions you may have.

On the tour you will be able to see our wide variety of subject areas, take part in hands on exciting science practical experiments, experience fitness testing and listen to fantastic live music from our students. Our amazing team of teachers, governors and students will also be available throughout the evening to answer all of your questions. At the end of the evening there will be an opportunity to attend a Q&A session with a member of the senior leadership team.

At Abbey College, we are proud to be at the heart of our community and provide an excellent education for all of our students. Our recent Ofsted inspection and exam results are a testament of this. This year, our GCSE pass rate increased again on the previous year to 73 per cent of students achieving the top 4-9 grades in English and Maths, which was above the national average.

We look forward to meeting with you on the 30th September to show you how Abbey College could be a part of your future and how you can be a part of our vision to provide the best education experience for all in the community.

Yours faithfully,

Gemma Craig

Assistant Head at Abbey College
